The parties agree as follows:

**1. Contracting Out**

- 1.1 The parties recognize the important contribution the General Support Staff make in the delivery of support service, and are committed to ensure job security where reasonably possible. To this end, it is understood by the parties that this Employer will consult with the Union as soon as reasonably possible and at a minimum, one (1) month prior to any workforce adjustment resulting from a decision to discontinue a program or undertaking in an effort to explore alternatives to minimize the impact of the decision.
- 1.2 In the event of an adjustment, as outlined in 1.1, the Employer agrees that Employees affected shall be given no less than ninety (90) calendar days written notice prior to the implementation of a contracting out workforce adjustment. Such notice will be concurrent with any required layoff notice carried out in accordance with Article 36 (Layoff and Recall).
- 1.3 The parties agree to work towards the implementation and utilization of voluntary measures, including but not limited to voluntary Leaves of Absence, transfers and voluntary separation programs, including early retirement, job sharing or severance agreements in order to minimize the impact on Employees.
- 1.4 This Letter of Understanding will not prevent the transfer of services and the associated Employees between health care facilities operated by the Regional Health Authorities within the Province of Alberta.

**2.0 Severance**

- 2.1 In the event the work performed by an Employee in the Bargaining Unit is contracted out and no alternate employment is found for an affected Employee, resulting in the permanent reduction in the number of CUPE certified Regular Employees, the Employee shall be eligible for severance calculated as follows:
  - (a) The equivalent of two (2) weeks regular salary for each full year of continuous service to a maximum payment of forty (40) weeks.
  - (b) Regular salary = (regularly scheduled hours of work as at the date of application for the program) x (basic rate of pay). For calculation purposes, service in excess of six (6) months shall be considered a full

year (e.g. five (5) years and seven (7) months would be considered as six (6) years of service).

- (c) If the terms of contracting out require employment with the contractor and if the basic rate of pay is less than their current rate of pay, the Employer will provide severance as per the aforementioned schedule for the difference between the two rates.
- (d) If the terms of the contracting out arrangement do not require employment with the contractor, the Employer will provide for severance. An Employee receiving severance may be considered for re-employment with the Employer provided they repay the Employer the difference if any between the time they were unemployed and the length of time for which severance was paid.

- 2.2 The Employer shall have the right to accept or reject any application for severance based on operational requirements. Subject to operational requirements, if there are more Employees wishing to take severance than there are positions to be eliminated, severance shall be granted in order of seniority.
- 2.3 Severance will not be approved if termination of the Employee does not directly result in the permanent elimination of the Regular Employee's full-time equivalency or a comparable full-time equivalency.
- 2.4 The Employer will only consider a severance application from an Employee on Sick Leave, WCB or LTD where the Employee has provided medical evidence to the Employer that they are fit to return to work.
- 2.5 The Employer reserves the right to determine the date of termination and once approved, the decision to take severance and terminate employment is irrevocable.

The Letter of Understanding will expire on March 30, 2008.
