

**Covenant
Health**

Monday, September 13th, 2010, 08:00-10:00 hrs

Misericordia Community Hospital,
Computer Lab#IN-105

Or

Tuesday, September 14th, 2010, 08:00-10:00 hrs

Grey Nuns Community Hospital, Computer Lab#HSC237

The *Covenant Health Research Centre* is pleased to present:

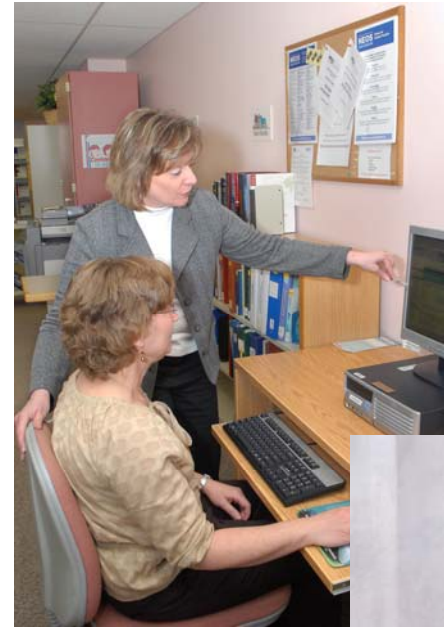

“Literature Searching, Step-by-Step”

Develop basic literature searching skills.
Learn how to use Medline and CINAHL databases through demonstration and hands-on practice.
Bring questions about your own research projects.

This session will cover:

- *developing a search question
- *boolean logic
- *subject headings/ keyword searching
- *selecting databases
- *search filters/ narrowing searches
- *retrieving articles

There is **no charge** for this workshop.
To **register** contact Mary-Ann Clarkes at the
Covenant Health Research Centre
735-2274 or email research@covenanthealth.ca
